Principles of the Party North and West, as Set Forth in the Resolutions.

ROCHESTER, N. Y., Oct. 4.—The State central committee, by a vote of three to one in caucus this morning, decided to accept the proposition of allowing the Tammany delegation to withdraw, and to exclude the other contesting delegates from the city of New York. This decision was reached in view of the overwhelming sense of the country delegations that Tammany should be excluded, and that their exclusion necessarily left no other organization of the party in the city of New York that had any legitimate citizento their seats. This is regarded as a triumph for Tweed.
